

Financial Controller (Ref: FC0324)

RAFARM is an innovation-driven, dynamically growing pharmaceutical company and a well-established European manufacturer with an outward-looking orientation that invests 13% of net turnover in Research and Development. We introduce high technology in our state-of-the-art sterile manufacturing plant and create new production lines with cutting-edge technology and robotic equipment. RAFARM is a place where our people evolve and are full of passion and interests. We are a dynamic team that empowers talent, embraces diversity and accelerates development.

The role main accountabilities will be the following:

- Responsibility for the preparation of monthly financial statements for the Group (P&L, Expenses Reports, variance analysis and commentaries)
- Co-ordinate and control the cost accounting activities and the preparation of management reports
- Ensures appropriate budget formulation and regular revision, as well as P&L and balance sheet analysis and reporting
- Review, analyze and evaluate financial data and information for accuracy and consistency (capex monitoring, R&D projects, operations, and business plans)
- Involvement in RRF projects and training with Pharma related Claw-back / Rebate mechanisms

Experience & Qualification Standards:

- University degree in Finance, Accounting, Business or Economics, postgraduate degree or MBA required
- At least 5 years working experience in a similar position, preferably in pharmaceutical industry, or in auditing
- Good knowledge in financial and statistical modelling, knowledge of IFRS is considered a must
- SAP knowledge in areas of FI / CO-PA will be considered as an asset
- Proficient with the Microsoft Office Suite, including strong Excel skills
- Fluent in written and spoken English
- Able to work on multiple projects with accuracy and efficiency, while keeping to deadlines

Benefits

- Competitive Compensation
- Private Health Insurance
- Career Development Opportunities
- Work-Life Balance
- Innovative Work Environment
- Community Engagement
